- Modern-day cities and countries shown with **red type**, or **red underline** if the name is still the same

COFFEE AND CONVERSATION

St. Victoria Parish Family

Join us Saturday, May 5, 9:15 a.m. for Coffee & Conversation: A Virtual Pilgrimage Through the Holy Land (New Testament).

Does reading the Bible sometimes leave you feeling lost? Perhaps if they had just had a map, the Israelites would not have gotten lost on their way to the Promised Land. But then again, their greater need was for a spiritual roadmap.

Jesus is the Way (Jn 14:6). But 2,000 years later and 6,250 miles away, we can profit in our study of Jesus and the New Testament from a basic understanding of significant place names, locations and distances.

Join us for a virtual pilgrimage through Israel other ancient biblical lands, and bring the New Testament to new life.

We will gather at 9:00 a.m. on Saturday in Elstan Hall for coffee and

treats. Our discussion will begin at 9:30 a.m. and Deacon Ray Ortman will be our "tour guide."

Don't forget to invite your family and friends!

Although drop-ins are welcome, please RSVP to: Emily Klinker 952-443-2661 (218) or eklinker@stvictoria.org

Optional maps are available for purchase for \$5 in the parish office or on May 5 (while supplies last).
